Census Report

—— OF ——

South Dakota

For 1895.

6370 P 1

A. 100114

Letter of Transmittal.

To His Excellency,

Charles H. Sheldon,

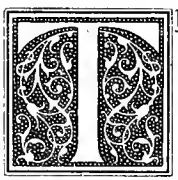

Governor of the State of South Dakota.

In conformity with the provisions of the law creating this office, I have the honor to present herewith my Official Census Report of the State of South Dakota. The facts gathered by means of blanks sent to the different assessors through the County Auditors throughout the State and returned to me have been carefully compiled and tabulated and appear in this report.

I am sir, yours most respectfully,

S. A. WHEELER,
Commissioner of Labor Statistics and Census.

Preface.

HE FOLLOWING CENSUS ENUMeration of South Dakota for 1895 is respectfully submitted to the public with no small degree of pride, believing that you will find in the following pages a complete exhibit of every item of information which this Census table could be expected to contain under this Act. Section I of the Act, approved March 11th, 1895, provides that "the Commissioner of Labor Statistics * * * shall prepare and transmit to the several County Auditors a sufficient number of appropriate schedules and forms so prepared by him to take the enumeration of the inhabitants of the State, distinguishing therein persons of each sex, their age and nationality."

By this it will be seen that all the Act required to be done, in taking the Census, was to take the enumeration of the inhabitants of the State, distinguishing therein persons of each sex, their age and nationality. I have been scrupulously careful and earnest in my endeavors to have classes and ages so arranged in separate columns for the benefit of all parties who would naturally look to this Census table for information of the character contemplated by the law ordering such Census to be taken. The report shows in the first column the males under six years of age, second column the females under six years of age, third and fourth columns the males and females over six and under twenty years of age, and shows at a glance in each precinct, township, village or city the number of school age who are entitled to public

school funds. The fifth column shows the males over twenty years of age, sixth column the females over twenty years, seventh column the native born, eighth column the foreign born, and the last column shows the total of inhabitants in the precinct, township, village or city as the case may be. At the bottom of these columns are the totals of the different sexes, ages, natives and foreigners of the whole county.

At the close of the report of counties you will find table showing the population by counties of 1890, also 1895, and the loss or gain of each county since 1890. At the bottom of the lists for 1890 and 1895 is shown the total populations of 1890 and 1895. It also shows a State gain of 2,167 since 1890, which fact refutes the statements that have been made and supported by persons desirous of reflecting upon our young State that it is decreasing in population.

An Act

To Provide for the Enumeration of the Inhabitants of the State of South Dakota in the year 1895, in compliance with Section 5, Article III of the Constitution; defining the duties of the Commissioner of Labor Statistics, County Auditors and Assessors in connection therewith; and

To Appropriate Money for Expenses Incurred in Making and Compiling the Same.

Be it Enacted, etc.:

Section 1. The commissioner of labor statistics shall have charge and supervision of the taking of the census throughout the state; and on or before the second Monday in April, in the year 1895, he shall prepare and transmit to the several county auditors a sufficient number of appropriate schedules and forms so prepared by him to take the enumeration of the inhabitants of the state, distinguishing therein persons of each sex, their age and nationality, and prepare and transmit with such schedules such instructions and directions in regard to the same as he may deem necessary.

Section 2. Immediately upon the receipt of such schedules, forms and instructions the several county auditors shall notify in writing each county, township, town and city assessor within his county to meet at the office of the county auditor on the last Saturday of April, in the year one thousand eight hundred and ninety-five, and receive from the county auditor a requisite number of the schedules and forms and such instructions and directions as will enable them to take said census and collect such statistics in the manner herein required.

Section 3. It shall be the duty of each county, township, town and city assessor and their assistants to take and

subscribe an oath before entering upon the discharge of such duties that he will make at the same time he makes the regular assessment, a true and exact enumeration of all the persons resident, then residing within his county, township, town or city or district, and will faithfully collect all the other statistics therein as required by law, and a true return thereof make in pursuance of the provisions of this chapter, according to the best of his ability, which oath shall be filed with the county auditor. In case any county, township, town or city assessor qualified to make the assessment in any district comprising the whole or a part of any county shall fail to appear at the office of the county auditor on the last Saturday of April, in the year one thousand eight hundred and ninety-five, and receive a requisite number of the schedules and forms and such instructions and directions as will enable him to take the said census and collect such statistics in the manner herein required, it shall be the duty of the county commissioners at that time to appoint some suitable person to perform the duties that would devolve upon said assessor, as required in this chapter, and the county auditor shall deliver to such person the schedules and forms, instructions and directions in regard to the same as will enable him to take the census and collect the statistics in the district for which he is appointed. Provided, that any person so appointed shall take and subscribe an oath before entering upon the discharge of such duties as herein required of assessors, to make and file the same with the county auditor. Every person so appointed by order of the county commissioners shall receive the same per diem as is paid to assessors for the time actually and necessarily taken in the performance of his duties as herein required. Provided, further, that the expense of taking such enumeration shall be paid by the county, town, township or city within which said enumeration shall be made.

Section 4. Each county, township, town and city assessor and their assistants and all persons appointed by order of the commissioners of any county, as herein provided, shall, on the first day of May, in the year one thousand eight hundred and ninety-five, commence taking the enumeration of the inhabitants and collecting the statistics in

their several districts, as required by law, and for that purpose shall call at every dwelling house therein and by personal inquiry of the head of every family and of other persons, ascertain the matters required to be ascertained and reported by them; and in such enumeration and enrolment they shall include only persons whose place of residence shall be in said county, township, town, city or district, on the first day of May of said year, and complete their work on or before the first day of July thereafter, and deliver to the commissioner of labor statistics a true and accurate enumeration of all the persons within their respective counties, townships, towns, cities, and districts, and a full and correct collection of the statistics required to be collected therein, which enumeration and collection shall be set forth in the schedules and forms furnished by the commissioner of labor statistics and in the manner and form required by him.

Section 5. The assessor of any township in which there shall be situated an incorporated town or city, or any part thereof, which is included in a separate assessor's district, shall not take the census or take the statistics in such town or city, and the assessor of every town or city which is incorporated as a municipality district and independent from the township shall, in taking such census separately, enumerate upon the same form all the inhabitants thereof residing in each township, any part of which is included in such town or city. Provided, that it shall be the duty of the township assessor of any township in which there is situated an unincorporated village to separately enumerate the inhabitants of said village.

Section 6. The commissioner of labor statistics shall, as soon as practicable, not later than the first day of January, eighteen hundred and ninety-six, prepare a tabular statement of the enumeration of the inhabitants of the state then residing in the state, showing the number in each county, township, town, city, village or district, also such other statistical matters as shall have been procured under the provisions of this chapter, and have the same printed and bound in pamphlet form.

Section 7. The commissioner of labor statistics shall have one thousand (1,000) copies of said tabulated enumeration printed and bound and shall deliver one (1) copy to each newspaper published in the state of South Dakota, one (1) copy to each county auditor, and shall deposit with the secretary of state two hundred and fifty (250) copies for the use of the next legislature.

Section 8. Every person over twenty years of age who shall refuse to answer truly to the best of his ability any question which may be lawfully put to him by the assessor or person authorized to take the census in the district in which such person resides, for the purpose of taking such census or collecting the statistics of such districts as required by this chapter, shall forfeit to the state the sum of twenty-five dollars to be recovered in a civil action.

Section 9. Every county, township, town, city, village or district assessor or assistant or person appointed who shall have accepted such office or appointment who shall neglect or refuse to perform the duties required of him in taking or returning the census, collecting or returning the statistics as directed in this chapter, or who shall wilfully make any false certificate or return thereto shall forfeit to the state the sum of two hundred and fifty dollars to be recovered in a civil action,

Section 10. Whenever it shall be found that the census or collection of statistics in any county or district therein has been improperly or insufficiently taken, or whenever the returns thereof shall be lost or not made or destroyed. the commissioner of labor statistics may order a new enumeration, collection of statistics, or either, in such county or district. The expense of such new enumeration, collection of statistics. or either, to be paid for by the county or district which pays the assessor for such district. the sum to be recovered in the same manner as compensation for taking the assessment in such county or district.

Section 11. For the purpose of carrying out the provisions of this chapter, there is hereby appropriated out of the general fund of the state not otherwise appropriated

fifteen hundred dollars ($1,500) or so much thereof as is necessary.

Section 12. Whereas, an emergency exists, this act shall take effect and be in force after its passage and approval.

Section 13. In towns and cities in which the assessor is paid an annual salary, he shall be paid an extra compensation of two (2) cents for each name listed in such enumeration and such extra compensation shall be paid in the same manner as the annual salary of such new assessor is paid.

Approved March 11, 1895.

In Conclusion.

THE REPORT PRESENTED IS COMpiled from the returns furnished this office and is absolutely correct in all its details as far as the returns warrant by the assessors. The work was done under a limited appropriation and with no intention of furnishing any further details than necessary to give a concise and abbreviated information of the State's population by counties and for the purpose of re-apportioning members for the State Legislature.

This report does not show the different nationalities separately on account of the indefinite manner the assessors made their returns; many were returned as Britons, and quite a number were placed in the miscellaneous column, consequently all were compiled under the head of foreign-born, believing it to be the only way it could be done from the returns placed in our hands by said assessors, and it is to be hoped that it will be satisfactory.

In all its particulars the report is essentially correct and will be a valuable compendium of statistics to the student, the merchant and to every citizen of South Dakota in whatsoever vocation they may be engaged.

Very respectfully,

S. A. WHEELER,
